

Don't Greens hate Cities?

28 November 2013 A+DS Workshop - The Lighthouse

The Urban Design Group and the Scottish Ecological Design Association invite you to a joint event to launch SEDA's new magazine entitled "Are Cities Green?"

The magazine features an interview with journalist and author, Owen Hatherley, plus contributions from, among others, authors Jonathan Charley and Barnabas Calder and practitioners Matt McKenna and Jude Barber.

Join us from 5.45pm at the Lighthouse to address the debate, around ecology and cities, and hear a talk on this subject from our guest speaker. Then continue the discussion with informal drinks afterwards in Bar 10.

Where A+DS Workshop, Level 2, The Lighthouse, Mitchell Lane, Glasgow
G1 3NU then afterwards at Bar 10 (opposite the Lighthouse)
